## Soondae Soup* Foundation: Month 8, Day 0-37

*T/L NOTE: SOONDAE IS KOREAN BLOOD SAUSAGE
SOONDAE SOUP IS A POPULAR SOUP IN KOREA

OUR FOOD SUPPLIES ARE RUNNING OUT, SUNBAE... AND TO BE HONEST, MY STAMINA IS AT ROCK-BOTTOM... CAN'T WE JUST GIVE UP LOOKING FOR THE LAST STONE CIRCLE?
NO. IF MY 3 YEARS OF RESEARCH ARE CORRECT, THE FINAL SIGN SHOULD BE ONLY 7 KILOMETRES AHEAD. WE'VE FOUND ALL THE ONES BEFORE, JUST AS MY RESEARCH SAID, RIGHT?
THE PROBLEM IS... THE DIRECTION... ANY POWERFUL, UNIVERSAL OBJECT LIKE THE STONE CIRCLE RELEASES ITS OWN STRONG MAGNETIC FIELD. THE POSSIBILITY THAT OUR COMPASS WON'T WORK IS HIGH

IF WE GO MIA IN A PLACE LIKE THIS...WE WON'T SURVIVE. SO KEEP STRONG AND PAY ATTENTION!

S-SUNBAE!!! IS THAT-?!

AAAAAAHHH!!!

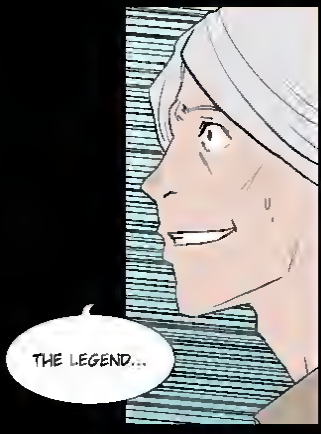
WE DID IT! THIS IS THE LAST STONE CIRCLE! WE'VE DONE IT!!!
THE ENTIRE ARCHAEOLOGY COMMUNITY... NO? RELIGION... NO? THE HISTORY OF THE ENTIRE WORLD COULD BE TURNED ON ITS HEAD!!!

IF THE LEGENDS WERE TRUE...

NO, IT'S STILL TOO EARLY...

WE HAVE TO SEE HIM WITH OUR OWN EYES...
SOUTH 20 KILOMETRES. SUMMON UP ALL YOUR STRENGTH!
ROGER~!

IT WAS TRUE...



THE LEGEND...

THE IDIOT STATUE... TO THINK IT WOULD EXIST...

The 4.6 billion-year-old earth...

Of that time, humanity has only recorded the past 15,000 years of history.

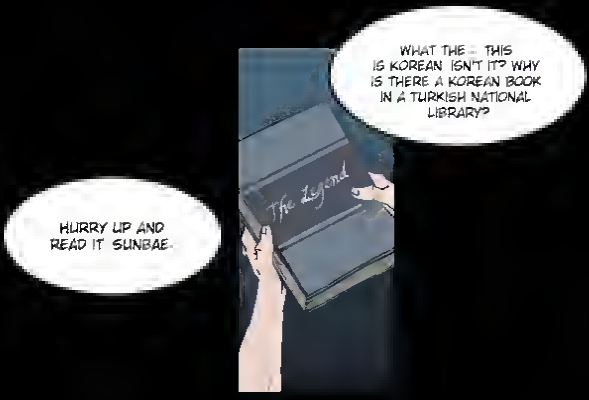
Sometime within those 7 million years...

It's impossible to tell when the first *Homo sapiens* came to be.

There are huge debates over this topic.

After we graduated Soondae Gook, we wanted to keep exploring and researching the mysteries of space. For the past few years, we've gone around researching at different universities. But one day, we stumbled upon a massive secret that began to open the world to us.

And one day, we went all the way to Turkey to study the ancient civilization of Anatolia. While studying in the national library, we found a book there by chance.



WHAT THE... THIS IS KOREAN. ISN'T IT? WHY IS THERE A KOREAN BOOK IN A TURKISH NATIONAL LIBRARY?
The Legend
HURRY UP AND READ IT, SUNBAE.

HUH... SUNBAE... ISN'T THIS A TOTAL FANTASY NOVEL? KUKU. THIS IS LIKE A NOVEL I READ IN 2ND GRADE HAHAHA
WHAT THE... WHY DOES THE NATIONAL LIBRARY HAVE A BOOK LIKE THIS? HAHA
.....!!
HEY... ISN'T THIS THE ARCHITECTURE FOR ANGKOR WAT?
THAT'S RIGHT... ISN'T THIS JUST SOME MODERN BOOK?
WHAT ARE YOU TALKING ABOUT? THE NATIONAL LIBRARY ONLY HAS BOOKS 1,000 YEARS OLD OR OLDER

ANGKOR WAT
WAS ONLY DISCOVERED
200 YEARS AGO!

SOMETHING
SOMETHING'S WEIRD!
PLEASE TURN THE PAGE!

IMSIL CHEESE FORTRESS... WHAT THE... ISN'T THIS IMSIL CHEESE VILLAGE?! HOW DID THE AUTHOR KNOW ABOUT THAT?!

WHAT THE...

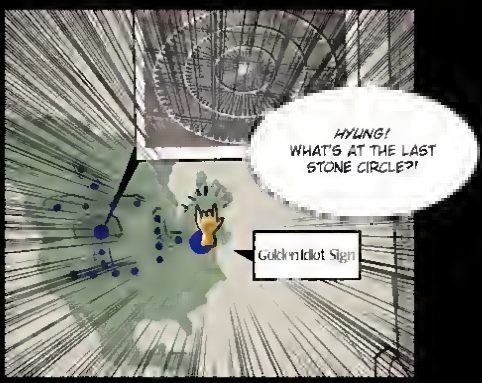
LOOK- LOOK AT THIS!!

STONE CIRCLES THAT WERE ARRANGED TO SPELL "PEACE"?

ISN'T THIS LIKE THOSE STONE CIRCLES THAT WERE RECENTLY REPORTED IN THE NEWS AND ARE BEING STUDIED? I'VE DEFINITELY SEEN THE DATA BEFORE.

THIS IS ALL... THIS IS IT, WHAT WE'VE BELIEVED ALL ALONG AND HAVE BEEN LOOKING FOR...

THE EVIDENCE!!



HYUNG!
WHAT'S AT THE LAST STONE CIRCLE?!
Golden Idiot Sign

Golden
IDIOT SIGN?!

I'M SURE OF IT NOW.
THIS MAGICAL WORLD OF OURS... 2 BILLION YEARS IN THE PAST... THIS IS THE STAGE FOR HUMANS AND THE CREATURES OF LEGENDS!

LOOK AT THIS, SUNBAE! THIS IS DEFINITELY HITLER! THIS IS DEFINITELY HITLER'S SIGN! SEE, EVEN THE NAME IS HITLER!!
HITLER? THAT'S THE NAME SAID BY NOSTRADAMUS!
WHAT?!

MICHAEL JACKSON!! ISN'T THIS MICHAEL JACKSON?!
FRANKLIN FAMILY? ISN'T HE THE U.S. FORMER PRESIDENT ROOSEVELT?!
LEONARDO DAVINCI?! ISN'T HE A GREAT MAN OR A SINGER?!
KING QIN SHI? ISN'T THAT QIN SHIHUANG?! THIS IS INCREDIBLE...

THIS IS INCREDIBLE IN A NUMBER OF WAYS... DRAGONS THAT APPEAR IN LEGENDS; EVEN THINGS LIKE SPIRITS ARE RECORDED...

AS EXPECTED. IT'S SIMILAR TO THE HYPOTHESIS WE HAD AT THE END OF OUR RESEARCH...
THE WORLD BACK THEN WAS ONE OF MAGIC...
FOR WHATEVER REASON THAT WORLD WASN'T NEEDED ANYMORE AND EVERYTHING WAS WIPED OUT.

AND THROUGH SOME LAST-DITCH EFFORT, A FEW TELEPORTED SOME 200 MILLION YEARS LATER...

AND BY LUCK THEY MANAGED TO LIVE NATURALLY SIDE-BY-SIDE WITH THE HUMANS OF THAT ERA
IS GOD SAYING WE HAVE TO LIVE WITH THESE THINGS?

AND AFTER THAT, THEIR LEGENDS WERE PASSED DOWN ORALLY...
OOGABU, OOGABU, WHO THE HELL ARE THEY?
People of that time
I'M NOT SURE...

*AUTHOR NOTE: SOPIEMARCIA SOUTHERN REGION DIALECT, CURSE WORD

# Dragon's Origin

Once upon a time, Sofiemarcia was split into two axes: one of good and one of evil.

The two called each other Heaven Side and Evil Side.

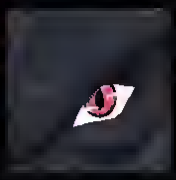
Wars raged for over 100 million years and led to innumerable spilt blood.

For the sake of the world's balance, the two sides reduced their powers...

And combined their bodies...

And their minds.

The good side created the Gold Dragon...



While the bad side created the Black Dragon.

The two continued to fight, however...

Both followed a "rule",

And reduced their powers to limit the damage to Earth.

Even though they each had enough power to destroy the world...

They kept to the rule and limited their power.

The good side and...

The bad side...

Are somewhere hidden...

And fighting...
